Looking to get your teeth cleaned or examined? Look no further! DCC's Dental Hygiene Students have you covered!

Danville Community College (DCC) dental hygiene students are searching for patients. Under the supervision of registered dental hygienists, students provide free dental exams, X-rays, and cleanings for patients in the dental hygiene clinic. Patients also receive education on ways to improve and maintain good oral and overall health.

Students are currently looking for volunteers to participate and receive these complementary services. All patients are screened for health conditions before appointments are scheduled to ensure the safety of everyone involved. Completion of care usually consists of three to six appointments.

DCC is equipped with a state-of-the-art dental clinic that looks and functions much like a dental office. Located on the corner of South Main Street and Kemper Road in Foundation Hall on the DCC Campus, the dental clinic allows dental hygiene students to practice their skills in a hands-on setting.

Individuals who are interested may call the clinic at 434.797.8424 and leave a message.

A student will return the call to schedule an appointment.

Meet the Academic Advising Team!

At DCC, the primary goal of academic advising is to foster student success by helping students become effective agents for their own lifelong learning and personal development through informed planning and decision making. To accomplish this goal, we start by ensuring that each program-placed student is assigned an academic advisor. Visit our webpage for more information about DCC's Advising Model.

Never hesitate to contact an academic advisor.

Academic Integrity:

Integrity is doing the right thing, even when no one is watching.

-C. S. Lewis

You should always have pride in the work you do and should take ownership in your own learning! We understand that with tools like Google search, it's easy to find immediate answers to your questions. However, you are responsible for understanding

the difference between using the web for help and support of your learning, versus using the web to cheat. Academic dishonesty/Cheating jeopardizes your success, your integrity and has consequences.

Student Expectations:

- Be honest at all times
- Actively encourage academic integrity in your friends and classmates
- Discourage any forms of cheating or dishonesty
- Inform your teacher, counselor, administrator, or someone you trust if you have a reasonable belief and/or evidence that academic dishonesty has occurred

Some examples of academic dishonesty are, but not limited to:

- Using unauthorized materials and/or resources
- Copying work from another student, or from the web
- Using a technological/communication tool and/or resource during an assessment
- Having anyone else but you complete any part of your coursework for you
- Using online searches to find answers to your assessment questions
- Posting answers to assessment questions online

**Need to take a test?
Come visit the testing center!**

A few things to think about as we approach the halfway point in the semester:

- Don't let failure get you down for more than a day.
- Don't allow yourself to build an inflated ego after a success.
- Maintain a sense of humility and gratitude for each success and failure you experience.
- If your grades are not where you want, email tutoring@danville.com

The Testing Center is open for computer, and paper and pencil testing on the following days:

Monday – Thursday from 8:00 A.M. to 8:00 P.M.

Friday – 8:00 A.M. to 12:00 P.M.

Sunday – 1:00 P.M. to 5:00 P.M. (see LRC Hours)
