AT DANVILLE COMMUNITY COLLEGE

Message from Dr. Jerry Wallace

President, Danville Community College

DCC Knights,

It is with great enthusiasm and warmth that I extend a heartfelt welcome to each and every one of you. The beginning of your college experience marks a significant milestone in your lives, and we are honored to have you join the Danville Community College family for the 2023-2024 academic year.

As you step onto our vibrant campus, you will find yourself immersed in a community of learning, growth, and discovery. Our dedicated faculty and diverse range of programs are all designed to foster an environment that nurtures both your intellectual curiosity and personal development.

Here at DCC, we believe that education extends beyond the classroom, encompassing all aspects of life, and we are committed to providing you with the tools and opportunities to excel in both.

Embrace the challenges that lie ahead with determination and an open mind. College is a time for exploration, where you'll discover new passions, form lasting friendships, and broaden your horizons. Remember that you are not alone on this journey – our faculty, staff, and fellow students are here to support and guide you every step of the way.

I encourage you to take full advantage of the resources and extracurricular activities DCC has to offer. Engage in lively discussions, join student organizations, participate in community service, and dare to dream beyond your comfort zone. Your time here will shape not only your academic trajectory but also your character and sense of purpose.

As you settle into your new surroundings, always remember that DCC is more than

just a place of learning; it's a community that values diversity, inclusivity, and the pursuit of excellence. Your contributions, perspectives, and experiences enrich our collective tapestry, making us stronger and more resilient as a whole.

Once again, welcome to DCC. May this academic year be one of transformative experiences, meaningful connections, and boundless growth. I look forward to witnessing your achievements and celebrating your successes in the coming months.

With warm regards,
Dr. Jerry Wallace
President, Danville Community College
