

## Summer 2020 Emergency Registration Plan

Due to the unusual conditions imposed by COVID-19 on student's ability to respond to academics in an efficient manner, DCC is extending the opportunity for students to register through June 5. As per DCC policy, students may only add classes that have not yet met or with instructor approval, if starting late will not hinder the student's ability to succeed in the class. The following courses have been pre-approved by instructors for registration up through June 5, 2020.

**Students must contact [asb@danville.edu](mailto:asb@danville.edu) to enroll in these courses. Once enrolled, contact your instructor to see what steps you need to take to get caught up in the course.**
