

Danville Community College Dual Enrollment Parent Permission Form

Dual Enrollment allows high-achieving students to meet the requirements for high school graduation while simultaneously earning college credit from Danville Community College. Your child has requested to enroll in courses at his/her high school through Danville Community College. He/she must meet appropriate admission criteria and be eligible for placement into dual enrollment courses. Your first point of contact is your high school guidance counselor and/or your high school career coach.

This form must be completed and returned for your student to be enrolled in a dual enrollment course.

If it is not returned, the student will be removed from the course. Please note that this is a college level course and a grade will be assigned by DCC as well as the high school.

Directions for enrolling in dual enrollment courses

- 1. Complete an Online Admissions Application** at www.danville.edu/apply. The student is assigned a Student ID number so that the Social Security Number will not be used as your identifying number. - 2. All Students taking dual enrollment courses must be deemed eligible for placement. This can include earning eligible Virginia Placement Test (VPT), ACT, PSAT, and/or SAT scores or eligible High School GPA.**
- 3. Have this form completed and signed by the student and the Parent/ Legal Guardian and returned to your dual enrollment instructor within the first week of class.**

(This section only has to be completed once – you do not need to complete the below information for additional dual enrollment courses)

In compliance with the federal Family Educational Rights and Privacy Act of 1974 (FERPA), the college is prohibited from providing certain information from your student records to a third party, such as information on grades, billing, tuition, and fee assessments, financial aid, and other student record information. This restriction applies, but is not limited, to your parents, your spouse, or a sponsor.

FERPA does permit the college to disclose information from your student records to your parent(s) or legal guardian(s) if they claim you as a dependent for federal tax purposes, and Chapter 495, 2008 Virginia Acts of Assembly, requires disclosure to those who claim you as a dependent. A parent or legal guardian must present current tax information supporting this claim, along with a photo ID to the college's Admissions & Records Dept., in order to obtain student records information.

You may, at your discretion, grant the college permission to release information about your student records to a third party by submitting this completed form. The specified information will be made available only if requested by the authorized third party. Submit this completed form with original signatures. Please note that your authorization to release information does not have an expiration date, however, you may revoke your authorization at any time by sending a written request to the DCC Admissions Office. Note: For any third party designee(s) you name on this form, this release overrides all FERPA directory suppression information that you have set up in your student record.
