

This tutorial will walk new Dual Enrollment students through each step of the application process, providing important application information.

Revised 7/2013

Go to apply.vccs.edu. A window will open, showing the VCCS Online Application. Enter the security code in the box provided. First-time community college applicants, select "New Users", or if you've already started your application, select "Returning Users".

Create New Account Admissions Home VCCS Web Site VCCS Online Help Logout Create New Account To create your account, please enter the following information and click 'Submit'. "First Name: "Last Name: Email: "Page Value" "User Name: "Page Value" Submit	
 Note the following: The login ID and password created below is only valid during the application process. You will be given a username and password for registration after successfully completing the application process. Your temporary login ID will be retained until the application is submitted, or for a period 30 days. You may save your application and return at any time within that period. Finalize and submit your application within 30 days from the time you create your login ID, or you will have to start over. Your password must be 7-10 characters long and contain at least one lowercase letter, one uppercase letter, and one number. Be sure to record your login ID and password. If they are lost, you will need to 	

At this point, you will need to create a temporary Username and Password for the VCCS Application. Keep in mind, from the time you create your account, you will have 30 days to complete your application, or you will have to start over.

After creating your VCCS account, begin completing your application, starting with your personal information. **Please note: Though it is not required, it is recommended that you enter your Social Security number; this will make it easier to access your Student Resources.

As you are filling out the personal information:

- Select "Danville Community College" as the school you plan to attend.
- Select "Credit" for the type of classes you plan to take.
- Select "Main" for the campus you plan to attend.
- Select the term (or semester) you will be taking your dual enrollment class(es).

Once you have filled out all of the personal information (please capitalize your name and address), click on the button at the bottom of the page, "Save and Continue".

Personal Information 2 Address More	Step 2 - Address Information Primary Phone Number Number	
 3 Personal Information 4 Educational History 5 Educational Goals 6 Domicile Information > Submit Application 	Mailing Address	
		🔍 100% 👻 🎢

Continue through "Step 2: Address Information" on the online application. Be sure to *accurately* enter your phone number, mailing address, current residence, e-mail address, and emergency contact information. Once complete, click "Save and Continue".

Danville Community College

Continue through "Step 3: Additional Personal Information". The Ethnicity, Gender, and Citizenship Status questions are optional. Once again, when complete, click "Save and Continue".

Danville Community College

"Step 4: Educational History" requires you to input your high school information. As a Dual Enrollment student, you select "High School (graduated or currently enrolled)". Then select the high school you are attending, enter the date you expect to graduate, and the type of diploma you expect to earn.

DCC

Applying to Danville Community College Guide for Dual Enrollment Students

Danville Community College

The next part of "Step 4" asks for your college/university information, which would only apply to Dual Enrollment students who have previously taken college coursework; otherwise, leave this field blank. Then choose your parents' highest level of education; if unsure, select "Do not know". When complete, click "Save and Continue".

Danville Community College

For "Step 5: Educational Goals" Dual Enrollment students should select "HS Student – HS and College Cred (041)" or "043." Then click "Save and Continue".

Danville Community College

For "Step 6: Domicile Determination Questionnaire", click the link "Apply" to complete the questionnaire.

Danville Community College

Once you click "Apply", you will begin the domicile questionnaire. For the third question, on eligibility for in-state tuition, in most cases you will select one of the options for being claimed as a dependent by your parent or legal guardian. You may need to consult with your parent/guardian to accurately answer this question.

Danville Community College

Once you select an option for your eligibility for in-state tuition, you will need your parent or guardian to complete the next part of the questionnaire, pertaining to their name, military service, tax filing status, Virginia driver information, and voter registration status.

Da

On the next page, you will receive your "MyGCC" username and password. These will be used to access online Student Resources for your college classes. Once again, this is important info for you to write down and keep for your records!

When you get to the "Application Summary" page, you will need to Save the PDF version of your application, by clicking on the "Save/Print as PDF" icon.

Danville Community College

Then, you should print and have your parent or guardian sign the last page of the application. Additionally, write your SIS ID number on the application. Once signed, turn this form in to your Dual Enrollment Instructor. You should also sign the first page of the Dual Enrollment Application available online at www.dcc.vccs.edu/studentservices/dualenrollment.

Congratulations! You have now completed Step Two on your way to becoming a Dual Enrollment student!

Four Steps to Becoming a Dual Enrollment Student:

- ✓ Step One: Discuss Dual Enrollment opportunities with your high school guidance counselor, and be approved to take Dual Enrollment classes.
- ✓ **Step Two**: Apply to Danville Community College online.
- □ Step Three: Complete the Virginia Placement Test through your high school.
- □ **Step Four**: Register for Dual Enrollment classes through your high school, during your high school registration period.
