Danville Community College is committed to Equal Opportunity / Affirmative Action and Diversity.

The College does not discriminate on the basis of race, sex, color, religion, national origin, age, Political affiliation or against other qualified persons with disabilities.

- The FWS is a need-based program and part of the financial aid package. You must complete the FAFSA each year to determine if you are eligible.
- Completion of the Employment Application does not guarantee eligibility or placement in a FWS position.
- In assigning a FWS job, several factors are considered. These factors are financial need, number of hours per week the student can work, the amount of other assistance available to the student, and the total work-study funds available.
- Applications are matched with department requests and students are assigned to areas that correspond with their interests and abilities. The work-study program is flexible – it allows students to work on campus around class and study times.
- The number of work hours assigned is approximately 15 hours per week, while classes are in session.
- Employees currently working for DCC in another capacity may not qualify for work-study.
- You must be enrolled for at least six credit hours while you are employed as a work-study student at DCC.

I understand that by virtue of my student employment with Danville Community College, I may have access to records, which contain individually identifiable information, the disclosure of which is prohibited by the Family Educational Rights and Privacy Act (FERPA) of 1974. I acknowledge that I fully understand that the intentional disclosure by me of this information to any unauthorized person could subject me to criminal and civil penalties imposed by law. I further acknowledge that such willful or unauthorized disclosure also violates DCC's policy and could constitute just cause for disciplinary action, including termination of my employment, regardless of whether criminal or civil penalties are imposed.
