16-WEEK CYBERSECURITY TRAINING

FALL 2024

Cohort:

August 26th to
December 17th,
2024

Every Monday & Tuesday
5:00pm-8:00pm | 15 hours total
.....
9 hours of online course work,
6 hours hands-on, in-person training

For more information, call a
DCC Workforce Success Coach
today at 434.797.8572 or
434.797.8537!

This training integrates vital IT certifications and cybersecurity fundamentals, covering essentials for COMPTIA-A+ and COMPTIA Security+. Participants gain practical skills in network security, cryptography, and system administration to maintain secure IT environments. Through interactive learning and hands-on exercises, they acquire expertise to navigate modern IT landscapes and safeguard digital assets.

The total cost of the Cybersecurity Training program is \$2,550,000. \$850,000 (33%) is funded through a U.S. Department of Labor – Employment and Administration grant. The other \$1,700,000 (66%) is funded through State and Local Resources.

Danville Community College promotes and maintains educational and employment opportunities without regard to race, color, sex, ethnicity, religion, gender, age (except when age is a bona fide occupational qualification), disability, national origin, or other non-merit factors.
